OUTSTANDING CREATIVITY,  
CLASSIC QUALITY

A colorful life is more considerate than thousand words.  
Slender and uniform appearance, delicate and textured  
connotation, luxury without publicity, harmony and exquisite  
fashion. The love of pure soft water, like warm sweet words,  
resounds that warm heart.

## 香格里拉

Shangri-la, described in Lost Horizon by British writer James Hilton, is a secret, earthly paradise nestled among the mountains. It is a place to peel away impurities, to snow mountains, ancient cities, all things to wash the soul, until you see the clear self. Queenswood Shangri-La series bathroom cabinets advocate modern return to nature leisurely life philosophy, minimalist belief, function first design inspiration, to spare a moment of quiet natural space for life.

香格里拉，在英国作家詹姆斯·希尔顿所写的《消失的地平线》中描述它为坐落在群山之中的秘境、人间的世外桃源。它更是剥离杂质的地方，以雪山、古城、万物来洗涤灵魂，直到看见那个清澈的自己。昆斯伍德香格里拉系列浴室柜，主张现代回归自然闲适生活哲学，极简主义的信仰，功能至上的设计灵感，为生活腾出片刻宁静的自然空间。

INDIVIDUAL DESIGN

## BEAUTIFUL & Classic

The inner frame of the mirror cabinet is presented in the form of inner chamfering, which is a three-dimensional visual effect from any point of view. High tawny glass is used on the surface of the mirror cabinet, so that the internal objects are in a mysterious tone. For designers, graphics is an organic form, which represents creativity, innovation, fashion and art.

## 杜拉

Mondrian was a pioneer of geometric abstract painting, taking geometric figures as the basic elements of painting. He believed that art should be completely divorced from the external form of nature, with the aim of expressing abstract spirit and pursuing the absolute realm of unity between man and God, which is now known as "pure abstraction". Queenswood, in tribute to the artist behind the Style movement, designed the Dura Bathroom cabinet, a collection of bright colors and simple lines that create a work of art that hangs on a wall.

蒙德里安是几何抽象画派的先驱，以几何图形为绘画的基本元素，与德士堡等创立了“风格派”，提倡自己的艺术“新造型主义”。昆斯伍德为了致敬这位风格派运动幕后艺术家，设计了杜拉浴室柜系列，明朗的色彩，简明的线条勾勒出一幅犹如挂在墙上的艺术品。
